

LEAFLET DELIVERY IN ELY

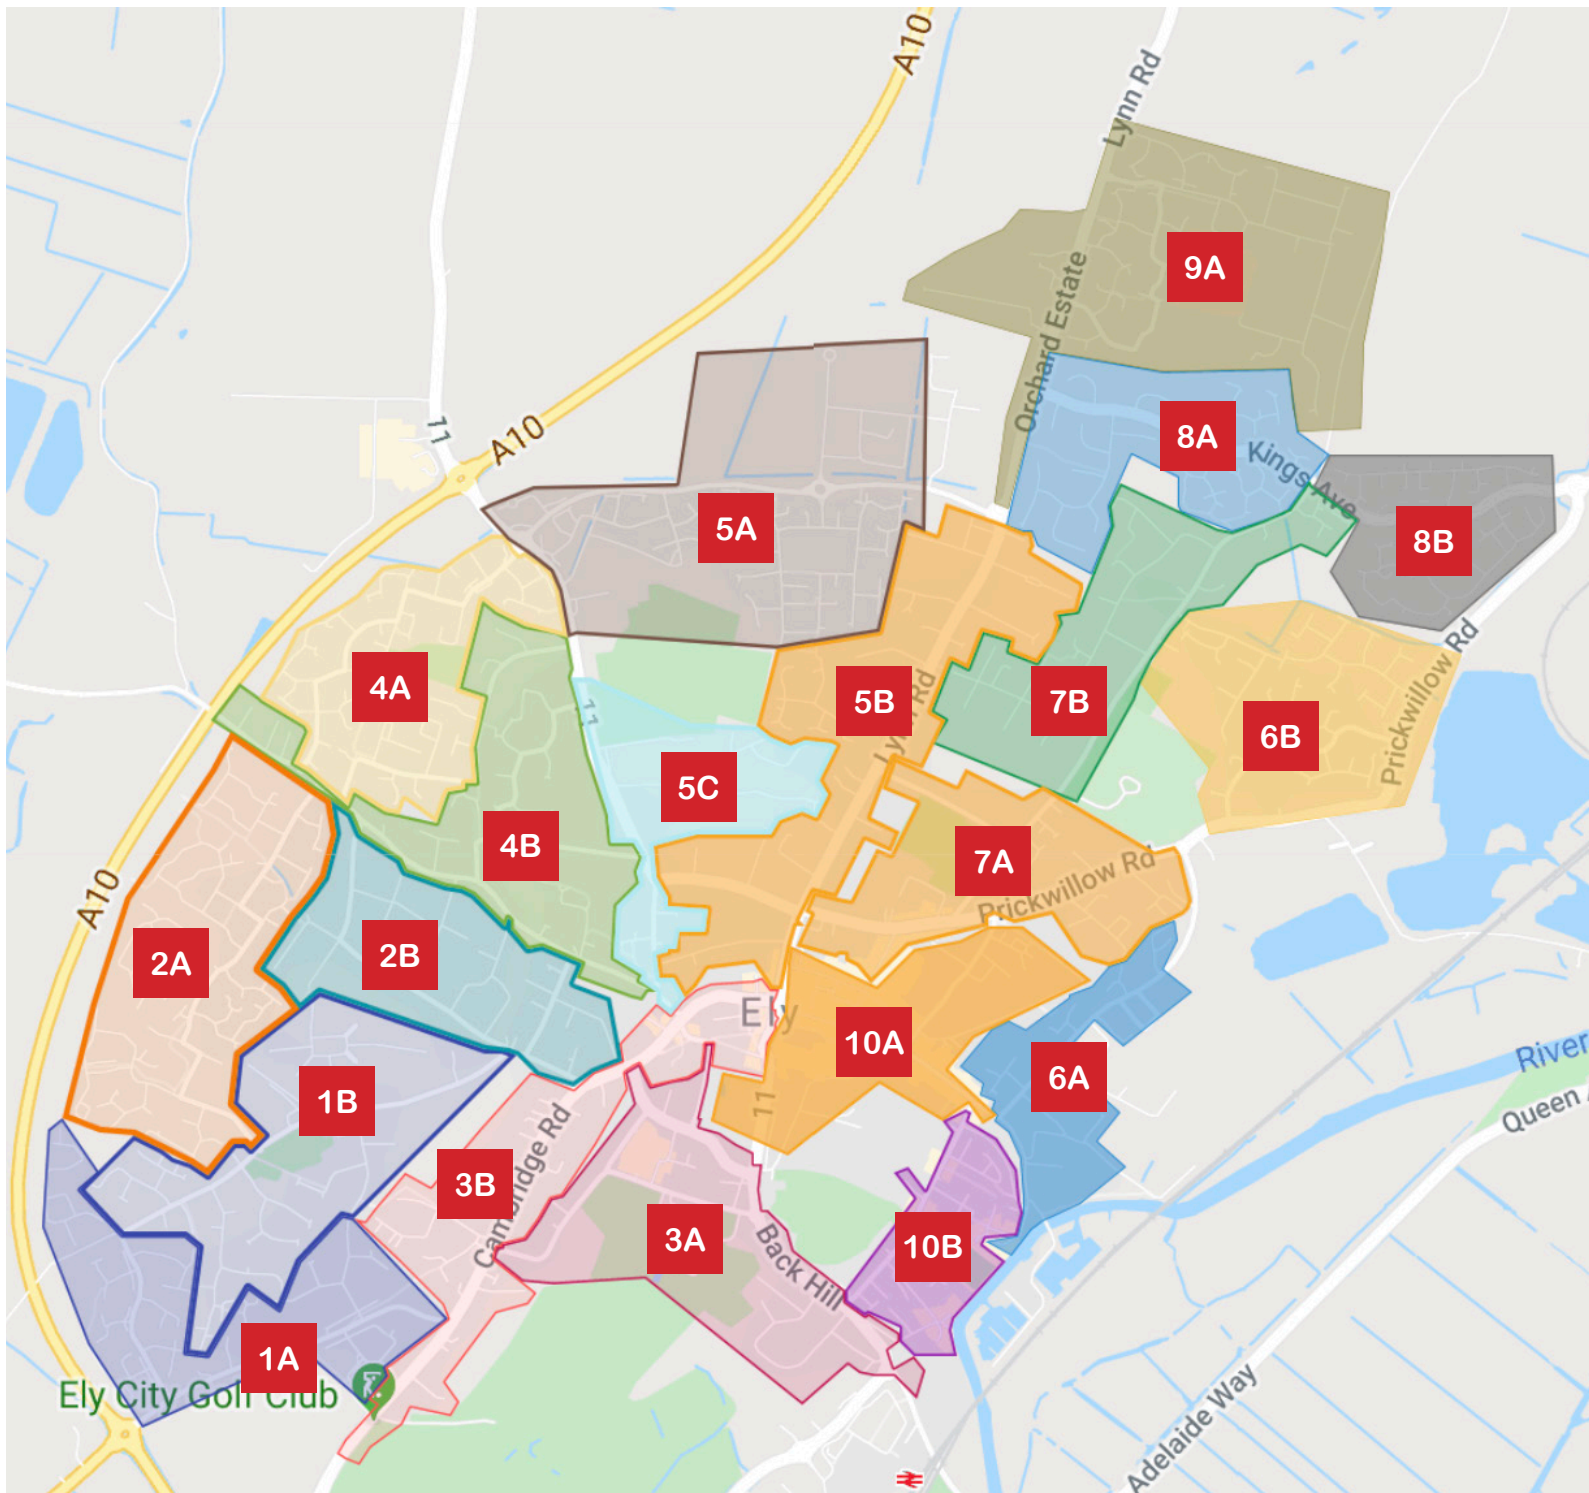

The map shows possible delivery areas.

We offer up to 8500 leaflets inserted in the magazine. We deliver just under 9000 magazines in Ely but set the limit at 8500 leaflets as we don't tend to leaflet city centre shops and we don't want to waste any.

COST

£45/1000 (single sheet A5) or £50 for larger

If not booking the whole city, please indicate your preferred areas in order of priority. This is for your own pre-printed leaflets. We do a printing service if required. Please ask about current prices if interested.
